

# **BELLAMY BROTHERS I NEED MORE OF YOU**

Hearts burning like they were on fire  
Flames changing our love to desire  
Babe, my heart is screaming to say  
Girl, we got to go all the way

I need more of you changing my rain into sun  
More of you putting my blues on the run  
I need more of you, darling I need more of you  
More, anything less wouldn't do

We ain't been together too long  
Strange, how did our love get so strong  
There's nothing to keep us apart  
We got to catch up to our hearts

I need more of you changing my rain into sun  
More of you putting my blues on the run  
I need more of you, darling I need more of you  
More, anything less wouldn't do

I need more of you changing my rain into sun  
More of you putting my blues on the run  
I need more of you, darling I need more of you  
More, anything less wouldn't do
