

LITTLE BIG TOWN LONELY ENOUGH

Its been a long time since ive prayed
Let the words fall where they may
Forive me now for what im about to say
Tired of being on my knees
Sick of begging you please
Since the day you took him away from me

[Chorus]

God, how much more do i have to hurt
How far down do you wanna see me go tell me
God, you dont know the sadness of this place
You got the angels and the saints
So give me back my love love
Dont you think im looooo lonely enough

You got the power in your hands
To change the master plan
Every star and every grain of sand
You keep bringing back the dead
Just roll the stone away
Before theres nothing left of me to say

[Chorus]

God, how much more do i have to hurt
How far down do you wanna see me go tell me
God, you dont know the sadness of this place
Show me amazing grace
And give me back my love love
Dont you think im lonely enough

Wont you give me back ym love
Dont you think im lonely enough
Oooooooooooooohooooooooooooohoooooooooooooh
Oooooooooooooohooooooooooooohoooooooooooooh
Dont you think im lonely enough
