

EXILE KEEP IN THE MIDDLE OF THE ROAD

Children, keep in the middle of the road
 Children, keep in the middle of the road
 Don't you look to the right
 Don't you look to the left
 Just keep in the middle of the road
 I hear those angels a calling loud
 Keep in the middle of the road
 They's a standin' there in a great big crowd
 .Keep in the middle of the road

:Chorus
*Then children, keep in the middle of the road
 Children, keep in the middle of the road
 Don't you look to the right
 Don't you look to the left
 Just keep in the middle of the road
 In the middle of the road
 .In the middle of the road*

I can see them standing around a big white gate
 We must travel along before it gets too late
 For it ain't no use for to sit down and wait
 .Just keep in the middle of the road

:Chorus
*Then children, keep in the middle of the road
 Children, keep in the middle of the road
 Don't you look to the right
 Don't you look to the left
 Just keep in the middle of the road
 In the middle of the road
 .In the middle of the road*

I ain't got time for to stop and talk
 Keep in the middle of the road

Cause the road is long and it's hard for to walk
 .Keep in the middle of the road

:Chorus
*Then children, keep in the middle of the road
 Children, keep in the middle of the road
 Don't you look to the right
 Don't you look to the left
 Just keep in the middle of the road
 In the middle of the road
 .In the middle of the road*

I'll fix my eye on the golden stair
 And I'll keep on a goin' till I get there
 Cause my head am bound that crown for to wear
 .Just keep in the middle of the road

:Chorus
*Then children, keep in the middle of the road
 Children, keep in the middle of the road
 Don't you look to the right
 Don't you look to the left
 Just keep in the middle of the road
 In the middle of the road
 .In the middle of the road*

When your feet get tired and your song don't sing
 Don't look at the world full of sinful things
 Don't lay down in the road for to die
 .Put on your wings and get up and fly

:Chorus
*Then children, keep in the middle of the road
 Children, keep in the middle of the road
 Don't you look to the right
 Don't you look to the left
 Just keep in the middle of the road
 In the middle of the road
 .In the middle of the road*
