

# ROCKY BURNETTE TIRED OF TOEIN THE LINE

I[Chorus:]

Baby  
I'm tired of toein' the line  
Don't know why you wanna jump on me  
Baby, baby, baby  
You're making me cry

[Verse 1:]

Baby, I  
I'm gonna find myself someone new  
Someone who will be true  
And no more toein' the line

I know it's over  
Cause I see the signs  
Don't let me waste your precious time

Baby  
I'm tired of toeing the line  
If you want to get rid of me  
Baby, baby, baby  
You're doing fine

[Verse 2:]

Baby  
I'm tired of toein' the line  
I'm gonna put on my walking shoes  
And leave you far behind

You're rolling over  
And over so divine  
But you can't fix this broken heart of mine

[Repeat Chorus x2:]

Baby  
I'm tired of toein' the line  
Baby  
I'm tired of toein' the line  
Baby  
I'm tired of toein' the line  
Baby  
I'm tired of toein' the line  
Baby  
I'm tired of toein' the line  
Baby  
I'm tired of toein' the line
