## WALKING ON THE WAVES

An island in the sunlight  
Laughter in the rain  
A whiskey in the darkness  
It all feels just the same.  
Watch the sunset over  
Galway See the twilight merge to dawn  
Hear the waves caress the shoreline  
As the island carries on.  
I've been walking, walking these shores all  
my days  
But with you by my side  
I am walking on the waves.  
I've been walking, walking these shores all  
my days  
But with you by my side  
I am walking on the waves.  
There's two lovers on the claddagh  
And they walk down to the sand  
Their silhouettes are on the water  
As they paddle hand in hand.  
And it's a game of sweet surrender  
When there's nothing left to say  
And there are moments to remember  
Once these days are long away.

I've been walking, walking these shores all  
my days  
But with you by my side I am walking on the  
waves.  
I've been walking, walking these shores all  
my days  
But with you by my side I am walking on the  
waves.  
So you look out on the ocean  
See the headlands and the strands  
And you wonder what horizons  
Will shape tomorrow's plans.  
And through the turning of the seasons  
And the cycle of the days  
Every drink's another reason  
To let tomorrow sail away.  
I've been walking, walking these shores all  
my days  
But with you by my side  
I am walking on the waves.  
I've been walking, walking these shores all  
my days  
But with you by my side  
I am walking on the waves.  
I've been walking, walking these shores all  
my days  
But with you by my side  
I am walking on the waves.
