

NATHAN CARTER CARABBEAN FEELING

Na na na na na na na na
Na na na na na na na na
Na na na na na na na na na na
Hmm away from the city
I can see every star
Over ice-cold Margaritas at the White
Sand Bar
I wish my vacation it could last all year
long
Sittin' under moonlight in a campfire sing-
a-long
A shot of tequila Corona lime sittin' here
lost in time
Swayin' with the slowly rollin' sea
That look in your eye the way you smile
Makes me want to stay a while you and
me makin' memories
In a Caribbean feelin' sure feels good to
me
Na na na na na na na na
Na na na na na na na na
Na na na na na na na na na na
As the band starts to play a reggae kind
of beat
Everyone is dancin' pickin' up their feet
With hot girls right beside me it's hard
to keep my cool
Underneath the
Caribbean moon

A shot of tequila Corona lime sittin' here
lost in time
Swayin' with the slowly rollin' sea
That look in your eye the way you smile
Makes me want to stay a while you and
me makin' memories
In a Caribbean feelin' sure feels good to
me
When it's time to get gone
I won't wanna go home
But in my heart there'll always be
A shot of tequila Corona lime sittin' here
lost in time
Swayin' with the slowly rollin' sea
That look in your eye the way you smile
Makes me want to stay a while you and
me makin' memories
In a Caribbean feelin' yes that Caribbean
feelin'
It sure feels good to me
Hmm
Na na na na na na na na
Na na na na na na na na na
Na na na na na
Hmm na na na na na
Na na na na na na na na
Na na na na na na na na
Na na na na na na na na na na
