

DON DERBY ROLL IN THE HAY

Hey babe whatcha say,
Let's go down and roll in the hay (come on)
Hey babe whatcha say,
Let's go down and roll in the hay
I was thinkin' maybe we could get crazy
Just you and me baby,
Down on the farm in the barn
I'm your man, you're my girl
Take my hand and rock my world
Little bit of love well it ain't no thing
Let's go down and roll in the hay (hey)

Well, I've been workin' like a dog, all week long
Just to bring it on home to you
Been so worn down I guess, by all of these bills
And all of the stress it's true
But that won't do, 'cause all I wanna do
Is make sweet love to you (so)

Hey babe whatcha say,
Let's go down and roll in the hay (come on)
Hey babe whatcha say,
Let's go down and roll in the hay
I was thinkin' maybe we could get crazy
Just you and me baby,
Down on the farm in the barn
I'm your man, you're my girl
Take my hand and rock my world
Little bit of love well it ain't no thing
Let's go down and roll in the hay (hey)

Well, you got no hugs and you got no kiss
My love cup ain't even held a sip, I know
Well, if there ain't no woods and there ain't no

trees
Then you got nowhere for the birds and the
bees to go
Girl, I know but we'll take it slow
And we'll still be rockin' when the rooster
crows (oh)

Hey babe whatcha say,
Let's go down and roll in the hay (come on)
Hey babe whatcha say,
Let's go down and roll in the hay
I was thinkin' maybe we could get crazy
Just you and me baby,
Down on the farm in the barn
I'm your man, you're my girl
Take my hand and rock my world
Little bit of love well it ain't no thing
Let's go down and roll in the hay (hey)

Well, now's the time
You're the one
Let's take it off and get it on

Hey babe whatcha say,
Let's go down and roll in the hay (come on)
Hey babe whatcha say,
Let's go down and roll in the hay
I was thinkin' maybe we could get crazy
Just you and me baby,
Down on the farm in the barn
I'm your man, you're my girl
Take my hand and rock my world
Little bit of love well it ain't no thing
Let's go down and roll in the hay (hey)
