

# KEITH URBAN SOMEBODY LIKE YOU

There's a new wind blowing like I've never known.  
I'm breathing deeper than I've ever done.  
And it sure feels good to finally feel the way I do.  
I wanna love somebody, love somebody like you.

And I'm letting go of all my lonely yesterdays.  
I've forgivin' myself for the mistakes I've made.  
Now there's just one thing, the only thing I wanna do. mmmmhmmm...  
I wanna love somebody, love somebody like you.

Yeahhhh! I wanna feel the sun shine, shining down on me and you.  
When you put your arms around me, you let me know there's nothing in this world I can't doooo...

I used to run in circles going nowhere fast.  
I'd take one step forward and end up two steps back.  
Couldn't walk a straight line, even if I wanted to. mmmmhmmm...  
I wanna love somebody, love somebody like you.

...Woah here we go now!... WOOO! ... Yeah!!

...Hey wanna love ya baby. uh huh... ooh no...  
Yeah... I wanna feel the sun shine, shining down on me and you. OOOh.  
When you put your arms around me, well baby there ain't nothing in this world I can't dooo....

Sometimes its hard for me to understand, but you are teaching me to be a better man.  
I dont wanna take this life for granted like I used to do. no no...  
I wanna love somebody, love somebody like you.

I'm ready to love somebody, love somebody like you. mmmmm...

I wanna love somebody, love somebody like you... yeah.  
ha ha!  
Hey ..I wanna love ya baby! WOOO!! uh huh.. yeah....

yeah. be the man, in the meddle of the night,  
shoutin like its true.  
be the man, that ya want to be, cuz its normal, too.
