

THE MCCLYMONTS LIFELINES & SUPERHEROES

Feeling a Sunday drive
Even though it's Friday night
We don't need a reason why
No place we gotta be
Turning up the radio
Listening to the Rollin' Stones
Knowing that we need to go
Just keep driving

If we're gonna start a fire
We're gonna have to dance on flames
Even though for all we know
It's just a feeling
If we're wanna fall away
We're gonna have to learn to fly
Even when we're out of lifelines and
superheroes
Well I'll rescue you
And you'll rescue me

Wo-o-o-ah-o Wo-o-o-ah-o
Wo-o-o-uuuu

We don't have to tell the world
Chasing all the setting sun
Living like we're on the run
Yes the waves in the rear view
Your feet are up on the dash
And I'm singing over Johnny Cash
City limit's up ahead
And the past is behind us

So if we're gonna start a fire

We're gonna have to dance on flames
Even though for all we know
It's just a feeling
If we're gonna fall away
We're gonna have to learn to fly
Even when we're out of lifelines and
superheroes
I'll rescue you
And you'll rescue me

Wo-o-o-ah-o Wo-o-o-ah-o
Wo-o-o-uuuu

So if we're gonna start a fire
We're gonna have to dance on flames
Even though for all we know
It's just a feeling
If we're gonna fall away
We're gonna have to learn to fly
Even when we're out of lifelines and
superheroes
Yeah I'll rescue you
And you'll rescue me
Yeah I'll rescue you
Say you'll rescue me

Wo-o-o-ah-o Wo-o-o-ah-o
Wo-o-o-uuuu

Wo-o-o-ah-o Wo-o-o-ah-o
Wo-o-o-uuuu
