## AY YI YI YI

At Fiesta of Cinco De Mayo he ask for my hand  
But I was too young and afraid of a gold wedding band  
I guess I was restless and blinded by stars in my eyes  
Oh, foolish me I couldn't see  
What I'd found 'neath those wide open skies

Chorus:

Ay yi yi yi  
Ay yi yi yi  
South of the border  
Somewhere in Sonora  
There's someone I'm longing to see

Ay yi yi yi  
Ay yi yi yi  
That sweet caballero  
Out on his ranchero  
I hope is still waiting for me

Music

I spent all of my days searching for something I'd never find  
Night after night I just couldn't get him off my mind

He's everything I've ever needed and I'm going home  
Adios to this city, this city of no corizone

Chorus:

Ay yi yi yi  
Ay yi yi yi  
South of the border  
Somewhere in Sonora,  
There's someone I'm longing to see

Ay yi yi yi  
Ay yi yi yi  
That sweet caballero  
Out on his ranchero  
I hope is still waiting for me  
Ay yi yi yi  
Ay yi yi yi  
That sweet caballero  
Out on his ranchero  
I hope is still waiting for me  
Oh that sweet Caballero  
Out on his ranchero  
I hope is still waiting for me  
Ay yi yi yi  
Ay yi yi yi
