

# ALBAN LAMBERT TRESPASSING

Well, I was walkin' for some time...  
 When I came across this sign  
 Sayin' Who are you and where are you from?  
 We don't like when visitors come."  
 No Trespassing, that's what it said  
 At least that's what I could read.  
 No Trespassers? Yeah, my ass!  
 Wait 'til ya get a load of me!  
 One day I was trippin' and that's when I could  
 see  
 That the ether I had tapped into could be reality  
 It was great, that's when I climbed that  
 optimistic vine  
 Once I hit that mountain peak, I began to lose my  
 mind

I don't need no sympathy.  
 I won't cry and whine.  
 Lifes my light and liberty  
 And I shine when I wanna shine.  
 Make their faces crack  
 There's no turnin' back.  
 Let's go!

 No Trespassers? Yeah, my ass!  
 Wait 'til ya get a load of me!  
 I ain't got BS in my bag  
 That's the one thing you can believe  
 My heart is gold, my body is glass  
 Come on baby, cant you see?  
 I don't need no GPS  
 To show me where to go  
 But I can turn it to the north pole  
 And show you what is cold

I don't need no sympathy.  
 I won't cry and whine.  
 Lifes my light and liberty  
 And I shine when I wanna shine.  
 Make their faces crack (crack)  
 There's no turnin' back.  
 Let's go!

 Wait 'til ya get a load of me!  
 I said wait 'til ya get a load of me!  
 I ain't stayin' at home  
 I got places to roll  
 I ain't stayin' at home  
 No, no, no  
 Hey, hey, hey  
 Heyeah, yeah, yeah!  
 I don't need no sympathy.  
 I won't cry and whine.  
 Lifes my light and liberty  
 And I shine when I wanna shine.  
 Heh heh  
 Heh heh
