

# FEAT ALAN JACKSON ZAC BROWN BAND AS SHE' WALKING AWAY

We never spoke a word  
But every thought she had I heard  
From across the room  
We were standing face to face  
I couldn't find the words to say  
Gimme one more move

I don't even know her name  
I guess foolish pride's to blame

Now I'm falling in love as she's walking away  
And my heart won't tell my mind  
To tell my mouth what it should say  
I may have lost this battle  
Live to fight another day  
Now I'm fallin in love as she's walkin away

Wise man next to me did say  
about the one that got away  
Son I missed my chance  
Don't you let regret take place  
Of the dreams you have to chase  
Ask her to dance  
(Go on son)

You might fall down on your face  
Roll the dice and have some faith

But don't be fallin in love as she's walkin away  
When your heart won't tell your mind  
To tell your mouth what it should say  
May have lost this battle  
Live to fight another day  
Don't be fallin in love as she's walkin away

You might fall down on your face  
Roll the dice and have some faith

Don't be fallin in love as she's walkin away  
When your heart won't tell your mind  
To tell your mouth what it should say  
May have lost this battle  
Live to fight another day  
Don't be fallin  
Fallin in  
Fallin in love as she's walkin away
