

# PLAIN WHITE T'S WELCOME TO MYSTERY

Imagine a place you can always escape to  
An island off the coast of nowhere  
A new destination of your own creation  
Just waiting till you choose to go there

Blue treats of and velvet skies  
Blue ready to blow your mind  
Oooo

This is a place where your mind can escape  
All the problems today and go far, far away  
This is a time with no history  
Welcome to mystery

Imagine a city where everything's pretty  
And you sir, you rule the kingdom  
You call the shots you can do what you want to  
Oh just imagine the freedom

Blue treats of and velvet skies  
Blue ready to blow your mind  
Oooo

This is a place where your mind can escape  
All the problems today and go far, far away  
This is a time with no history  
Welcome to mystery

Blue treats of and velvet skies  
Blue ready to blow your mind  
Oooo

Imagine a room where the flowers they  
bloom  
Through the cracks in the floor and the  
ceiling  
Just you and the missus and roses and kisses  
My, what a wonderful feeling

Oooo  
This is a place where your mind can escape  
All the problems today and go far, far away  
This is a time with no history  
Welcome to mystery

This is a place where your mind can escape  
All the problems today and go far, far away  
This is a time with no history  
Feel no misery  
Come and visit me  
Welcome to mystery
