I've been waitin on the train gonna be all day  
Waitin on the train gonna be all day  
Got me a woman with a round up bin  
Zig zag stop is a quarter ta ten  
zig zag stop where the fun begins

get on that train

yeah waitin on a woman gonna be all day  
waitin on a woman gonna be all day  
zig zag stop its a quarter ta two  
zig zag stop baby how bout you

now where you at momma  
I know you're around here somewhere  
Got it on but bring it with you  
I ain't waitin all day

(vocalizations)

now waitin on the train gonna be all day  
zig zag stop it's the only way
